**Holiday Generosity**

A Wish Wall was established displaying the holiday wishes of adults and children identified by Caring Unlimited and Alliance for Healthy Families, a program of Goodall Hospital. Goodall Hospital staff, including employees from Goodall Health Partners, The Medical Group, Newton Center, the Pavilion, Hillcrest Gardens, Mayflower and Mt. View, helped to grant the wishes of over 250 local children and their parents.

Wanda Huard, coordinator of the Goodall Hospital Wish Wall, said, “We were ecstatic with the response that we received during these tough times. It shows the giving nature of all of our employees.”

Goodall employees not only gave presents this holiday season, they also gave to the Corner Cupboard, through a non-perishable drive; to the Animal Welfare Society in Kennebunk by doing a pet food drive; and raised over \$900 through a stocking raffle that was deposited into the Goodall Hospital Helping Hands Fund for employees who may be faced with dynamic challenges of financial hardship.

Goodall Hospital and its employees would like to wish everyone a happy and healthy New Year.
